

Notice of Patient Financial Assistance

Chapman Global Medical Center offers financial assistance to patients who are uninsured or underinsured and meet certain criteria under our financial assistance policy. If you are facing financial hardship, we encourage you to apply to Medi-Cal or explore other government programs that may be of assistance. You may be eligible for financial assistance for medical necessary procedures performed at the Hospital if you have difficulty paying for healthcare services and do not qualify for Medi-Cal or other government programs. Our Patient Financial Services office can help determine if you qualify under our financial assistance policy. You may be eligible for free care if your household income is at or below 200% of the Federal Poverty Level. You may be eligible for discounted care if your household income is at or below 400% of the Federal Poverty Level.
